MAHUR
GLOBAL PHARMA

PRODUCT RANGE

Name the molecule. We bring it to you.

Active pharmaceutical ingredients and excipients for your plant. Finished dosage forms, packaging, medical devices and consumer care products for your shelf. Held in bond at our free zone, released with the papers your regulator reads, and followed to your warehouse. If it is not on this list, ask for it and we bring that too.

Active ingredients · Excipients · Finished products · Packaging materials · Medical devices · Consumer care products

Contents

Products are listed by generic name and grouped by therapeutic classification. Strengths and pack sizes are confirmed on the quotation.

Active ingredients

Oncology and immunology 3
Cardiovascular 3
Anti-diabetics 4
Anti-infectives 4
Antifungals 4
Antivirals 4
Antimalarials 5
Antiparasitics 5
Respiratory and allergy 5
Corticosteroids 5
Neurology, psychiatry and anaesthesia 5
Pain and inflammation 6
Gastrointestinal 6
Ophthalmic 7
Ear, nose and throat 7
Urology 7
Renal and diuretics 7
Blood and anticoagulants 8
Veins and circulation 8
Endocrine and reproductive health 8
Dermatology 8
Enzymes 8
Probiotics 8
Vitamins 9
Minerals and electrolytes 9
Bone health 9
Nutrition and supplements 9
Herbal and ayurvedic 9
Antiseptics and disinfectants 9

Excipients

Fillers 9
Binders and film formers 10
Disintegrants 10
Lubricants and glidants 10
Coating 10
Solubilisers and surfactants 10
Solvents and emollients 10
Sweeteners 11
Preservatives 11
Antioxidants and chelators 11
Buffers and pH adjusters 11
Colours and lakes 11
Stabilisers and bases 11

Finished products

Oncology and immunology 12
Cardiovascular 12
Anti-diabetics 13
Anti-infectives 14
Antifungals 15
Antivirals 15
Antimalarials 16
Antiparasitics 16
Respiratory and allergy 16
Neurology, psychiatry and anaesthesia 17
Pain and inflammation 18
Gastrointestinal 19
Ophthalmic 20
Ear, nose and throat 21
Urology 21
Renal and diuretics 21
Blood and anticoagulants 22
Veins and circulation 22
Endocrine and reproductive health 22
Dermatology 23
Enzymes 23
Probiotics 23
Vitamins 24
Minerals and electrolytes 24
Bone health 25
Nutrition and supplements 25
Herbal and ayurvedic 25
Antiseptics and disinfectants 26
IV fluids and infusions 26

Packaging materials

Blister films and foils 26
Bottles, vials and tubes 26
Caps, stoppers and dosing parts 26
Cartons, labels and inserts 27

Medical devices

Supports and dressings 27

Consumer care products

Skin and oral care 27

How to order

Documents, terms and contact 28

Active ingredients

Oncology and immunology

Arsenic trioxide	Injection
Bendamustine hydrochloride	Lyophilised injection
Busulfan	Tablets, injection
Carmustine	Lyophilised injection, implant
Cyclophosphamide	Tablets, injection
Eribulin mesylate	Injection
Gemcitabine hydrochloride	Lyophilised injection
Irinotecan hydrochloride	Injection
Melphalan hydrochloride	Lyophilised injection, tablets
Thiotepa	Lyophilised injection
Cyclosporine	Capsules, oral solution, eye drops
Anastrozole	Tablets
Apremilast	Tablets
Azathioprine	Tablets
Bicalutamide	Tablets
Capecitabine	Tablets
Hydroxyurea	Capsules
Iguratimod	Tablets
Imatinib	Tablets
Leflunomide	Tablets
Megestrol acetate	Tablets
Methotrexate	Tablets
Mycophenolate	Tablets
Mycophenolate mofetil	Tablets
Tamoxifen	Tablets
Thalidomide	Capsules

Cardiovascular

Adenosine	Injection
Amiodarone hydrochloride	Tablets, injection
Betaxolol hydrochloride	Tablets, eye drops
Flecainide acetate	Tablets, injection
Irbesartan	Tablets
Levosimendan	Infusion concentrate
Midodrine hydrochloride	Tablets
Milrinone lactate	Injection
Olmesartan medoxomil	Tablets
Sodium nitroprusside	Injection
Telmisartan	Tablets
Treprostinil	Injection, inhalation
Adrenaline	Ampoule or vial
Amiodarone	Tablets
Amlodipine	Tablets
Atenolol	Tablets
Atorvastatin	Tablets
Azelnidipine	Tablets
Azilsartan	Tablets
Bempedoic acid	Tablets
Benidipine	Tablets
Bisoprolol	Tablets
Candesartan	Tablets
Carvedilol	Tablets
Cilnidipine	Tablets
Clonidine	Tablets
Digoxin	Tablets
Diltiazem	Tablets
Dobutamine	Ampoule or vial
Dopamine	Ampoule or vial
Enalapril	Tablets
Ezetimibe	Tablets
Fenofibrate	Tablets
Hydralazine	Tablets
Isosorbide mononitrate	Tablets
Isoxsuprine modified release	Tablets
Ivabradine	Tablets
Labetalol	Tablets
Lisinopril	Tablets
Losartan	Tablets
Methyldopa	Tablets
Methylene blue	Ampoule or vial
Metoprolol	Tablets
Metoprolol succinate	Tablets
Metoprolol tartrate	Ampoule or vial
Midodrine	Tablets
Moxonidine	Tablets
Nebivolol	Tablets
Nifedipine	Tablets
Nitroglycerin	Cream, ointment or gel
Noradrenaline	Ampoule or vial
Olmesartan	Tablets
Perindopril	Tablets
Propranolol	Tablets
Ramipril	Tablets
Ranolazine	Tablets
Rosuvastatin	Tablets

Active ingredients

Cardiovascular continued

S-amlodipine	Tablets
Simvastatin	Tablets
Sotalol	Tablets
Tolvaptan	Tablets
Trimetazidine	Tablets
Valsartan	Tablets

Anti-diabetics

Acarbose	Tablets
Canagliflozin	Tablets
Dapagliflozin	Tablets
Empagliflozin	Tablets
Glibenclamide	Tablets
Gliclazide	Tablets
Glimepiride	Tablets
Glipizide	Tablets
Imeglimin	Tablets
Linagliptin	Tablets
Metformin	Tablets
Pioglitazone	Tablets
Remogliflozin	Tablets
Repaglinide	Tablets
Sitagliptin	Tablets
Teneligliptin	Tablets
Vildagliptin	Tablets
Voglibose	Tablets

Anti-infectives

Azithromycin dihydrate	Tablets, suspension, injection
Erythromycin	Tablets, ointment
Isoniazid	Tablets
Minocycline hydrochloride	Capsules, tablets
Neomycin sulfate	Tablets, creams, drops
Pyrazinamide	Tablets
Tetracycline hydrochloride	Capsules, ointment
Amikacin	Ampoule or vial
Amoxicillin	Capsules
Ampicillin	Capsules
Azithromycin	Tablets
Cefepime	Vial for injection
Cefixime	Tablets
Cefixime dispersible	Tablets
Cefotaxime	Vial for injection
Cefpodoxime	Tablets
Ceftazidime	Vial for injection
Ceftriaxone	Vial for injection
Cefuroxime	Tablets
Cephalexin	Tablets
Chloramphenicol	Capsules
Ciprofloxacin	Tablets
Clarithromycin	Tablets
Clindamycin	Capsules
Clofazimine	Capsules
Cycloserine	Capsules
Doxycycline	Vial for injection
Faropenem	Tablets
Fosfomycin	Sachet
Fusidic acid	Cream, ointment or gel
Gentamicin	Ampoule or vial
Levofloxacin	Tablets
Linezolid	Tablets
Meropenem	Vial for injection
Metronidazole	Cream, ointment or gel
Minocycline	Tablets
Moxifloxacin	Tablets
Mupirocin	Cream, ointment or gel
Nitrofurantoin	Tablets
Ofloxacin	Tablets
Sulfasalazine	Tablets
Tinidazole	Tablets
Vancomycin	Ampoule or vial

Antifungals

Flucytosine	Capsules, infusion
Amorolfine	Cream, ointment or gel
Ciclopirox	Cream, ointment or gel
Fluconazole	Tablets
Griseofulvin	Tablets
Itraconazole	Capsules
Ketoconazole	Tablets
Luliconazole	Cream, ointment or gel
Miconazole nitrate	Cream, ointment or gel
Terbinafine	Tablets
Voriconazole	Tablets

Antivirals

Foscarnet sodium	Infusion
Maraviroc	Tablets
Valganciclovir hydrochloride	Tablets, oral solution
Aciclovir	Tablets
Entecavir	Tablets

Active ingredients

Antivirals continued

Oseltamivir	Capsules
Tenofovir alafenamide	Tablets
Tenofovir disoproxil	Tablets
Valacyclovir	Tablets
Valganciclovir	Tablets

Antimalarials

Artemether	Tablets, injection
Artesunate	Injection, tablets
Lumefantrine	Tablets
Hydroxychloroquine	Tablets

Antiparasitics

Albendazole	Tablets
Fenbendazole	Tablets
Ivermectin	Tablets
Mebendazole	Tablets
Permethrin	Cream, ointment or gel
Praziquantel	Tablets

Respiratory and allergy

Cetirizine hydrochloride	Tablets, syrup
Cromolyn sodium	Inhalation, nasal spray, eye drops
Fexofenadine hydrochloride	Tablets
Mometasone furoate monohydrate	Nasal spray, inhaler, cream
Salbutamol sulfate	Inhaler, nebuliser solution, tablets
Salmeterol xinafoate	Inhaler
Acebrophylline	Capsules
Acetylcysteine	Tablets
Ambrisentan	Tablets
Ambroxol	Syrup or oral suspension
Bilastine	Tablets
Bosentan	Tablets
Budesonide	Respules for nebulisation
Cetirizine	Tablets
Chlorpheniramine	Syrup or oral suspension
Doxofylline	Tablets
Fexofenadine	Tablets
Glycopyrrolate	Ampoule or vial
Levocetirizine	Tablets
Levocloperastine fendizoate	Syrup or oral suspension
Levosalbutamol	Syrup or oral suspension
Loratadine	Tablets
Montelukast	Tablets
Nintedanib	Capsules
Oxymetazoline	Spray
Pirfenidone	Tablets
Salbutamol	Syrup or oral suspension
Sodium chloride	Drops
Tiotropium bromide	Inhalation capsules, respules for nebulisation
Xylometazoline hydrochloride	Spray

Corticosteroids

Beclomethasone dipropionate	Inhaler, nasal spray, cream
Betamethasone acetate	Injectable suspension
Dexamethasone	Tablets, injection, eye drops
Fluticasone propionate	Inhaler, nasal spray, cream
Hydrocortisone	Injection, tablets, cream

Neurology, psychiatry and anaesthesia

Acamprosate calcium	Tablets
Baclofen	Tablets, intrathecal injection
Buspirone hydrochloride	Tablets
Dexmedetomidine hydrochloride	Injection
Eszopiclone	Tablets
Hydroxyzine hydrochloride	Tablets, syrup
Paliperidone	Extended-release tablets, depot injection
Propofol	Emulsion for injection
Rizatriptan benzoate	Tablets, orally disintegrating tablets
Ropivacaine hydrochloride	Injection
Acamprosate	Tablets
Amantadine	Capsules
Amitriptyline	Tablets
Aripiprazole	Tablets
Atomoxetine	Tablets
Atropine	Ampoule or vial
Betahistine	Tablets
Brivaracetam	Tablets
Bupivacaine in dextrose	Ampoule or vial
Bupropion prolonged release	Tablets
Caffeine	Ampoule or vial
Carbamazepine controlled release	Tablets
Caroverine	Capsules

Active ingredients

Neurology, psychiatry and anaesthesia continued

Cerebroprotein hydrolysate	Tablets
Cinnarizine	Tablets
Citicoline	Tablets
Desvenlafaxine	Tablets
Disulfiram	Tablets
Donepezil	Tablets
Duloxetine	Capsules
Escitalopram	Tablets
Fluoxetine	Capsules
Gabapentin	Capsules
Haloperidol	Tablets
Hydroxyzine	Tablets
Lacosamide	Tablets
Lamotrigine	Tablets
Levetiracetam	Tablets
Lidocaine	Cream, ointment or gel
Lithium carbonate	Tablets
Melatonin	Sachet
Memantine	Tablets
Modafinil	Tablets
Neostigmine methylsulphate	Ampoule or vial
Nimodipine	Tablets
Nortriptyline	Tablets
Olanzapine	Tablets
Oxcarbazepine	Tablets
Perampanel	Tablets
Phenytoin	Tablets
Piracetam	Tablets
Pregabalin	Tablets
Pyridostigmine bromide	Tablets
Quetiapine	Tablets
Rasagiline	Tablets
Risperidone	Tablets
Rizatriptan	Tablets
Sertraline	Tablets
Sodium valproate	Tablets
Sumatriptan	Tablets
Topiramate	Tablets
Trazodone	Tablets
Trihexyphenidyl	Tablets
Valproic acid	Tablets
Varenicline	Tablets
Venlafaxine	Capsules

Pain and inflammation

Febuxostat	Tablets
Ketorolac tromethamine	Tablets, injection, eye drops
Aceclofenac	Tablets
Allopurinol	Tablets
Celecoxib	Capsules
Colchicine	Tablets
Diacerein	Capsules
Diclofenac	Cream, ointment or gel
Diclofenac potassium	Tablets
Diclofenac sodium	Tablets
Etodolac	Tablets
Etodolac prolonged release	Tablets
Etoricoxib	Tablets
Glucosamine	Tablets
Indomethacin	Tablets
Ketorolac	Tablets
Mefenamic acid	Tablets
Methocarbamol	Tablets
Naproxen	Tablets
Nimesulide	Cream, ointment or gel
Paracetamol	Tablets
Piroxicam	Tablets
Polmacoxib	Capsules
Thiocolchicoside	Capsules
Tolperisone	Tablets

Gastrointestinal

Famotidine	Tablets, injection
Metoclopramide hydrochloride	Tablets, injection
Palonosetron hydrochloride	Injection
Trimethobenzamide hydrochloride	Capsules, injection
Acotiamide	Tablets
Antacid	Tablets
Antacid salt	Powder
Bisacodyl	Tablets
Cinitapride	Tablets
Dexlansoprazole	Capsules
Dicyclomine	Ampoule or vial
Domperidone	Tablets
Drotaverine	Tablets
Esomeprazole	Tablets
Granisetron	Tablets
Hyoscine butylbromide	Tablets
Itopride	Tablets
L-ornithine L-aspartate	Ampoule or vial
Lactulose	Syrup or oral suspension

Active ingredients

Gastrointestinal continued

Lansoprazole	Tablets
Levosulpiride	Tablets
Loperamide	Capsules
Mebeverine	Tablets
Mesalamine	Tablets
Metoclopramide	Ampoule or vial
Omeprazole	Capsules
Ondansetron	Tablets
Orlistat	Capsules
Pantoprazole	Tablets
Prochlorperazine	Tablets
Prucalopride	Tablets
Rabeprazole	Tablets
Racecadotril	Capsules
Ramosetron	Tablets
Ranitidine	Tablets
Rifaximin	Tablets
S-adenosyl-l-methionine	Tablets
Silymarin	Tablets
Simethicone	Capsules
Sucralfate	Tablets
Ursodeoxycholic acid	Tablets

Ophthalmic

Acetazolamide	Tablets, injection
Antazoline phosphate	Eye drops
Atropine sulfate	Eye drops, injection
Bimatoprost	Eye drops
Brimonidine tartrate	Eye drops
Dorzolamide hydrochloride	Eye drops
Fluorometholone	Eye drops
Homatropine hydrobromide	Eye drops
Latanoprost	Eye drops
Naphazoline hydrochloride	Eye drops, nasal drops
Olopatadine hydrochloride	Eye drops, nasal spray
Pilocarpine hydrochloride	Eye drops, tablets
Prednisolone acetate	Eye drops
Sulfacetamide sodium	Eye drops
Timolol maleate	Eye drops, tablets
Trifluridine	Eye drops
Bromfenac	Drops
Carboxymethylcellulose	Drops
Dorzolamide	Drops
Flurbiprofen	Drops
Gatifloxacin	Drops
Loteprednol	Drops
Natamycin	Drops
Nepafenac	Drops
Olopatadine	Drops
Sodium hyaluronate	Drops
Tobramycin	Drops
Travoprost	Drops

Ear, nose and throat

Meclizine hydrochloride	Tablets

Urology

Alfuzosin	Tablets
Bethanechol chloride	Tablets
Darifenacin prolonged release	Tablets
Doxazosin	Tablets
Dutasteride	Tablets
Finasteride	Tablets
Flavoxate	Tablets
Mirabegron	Tablets
Oxybutynin	Tablets
Prazosin	Tablets
Sildenafil	Tablets
Silodosin	Capsules
Solifenacin	Tablets
Tamsulosin	Capsules
Tolterodine	Tablets
Tolterodine tartrate extended release	Capsules
Vardenafil	Tablets

Renal and diuretics

Sevelamer hydrochloride	Tablets
Chlorthalidone	Tablets
Eplerenone	Tablets
Furosemide	Tablets
Hydrochlorothiazide	Tablets
Indapamide	Tablets
Levocarnitine	Tablets
Metolazone	Tablets
Sevelamer	Tablets
Sevelamer carbonate	Tablets
Sodium bicarbonate	Tablets
Spironolactone	Tablets
Torsemide	Tablets

Active ingredients

Blood and anticoagulants

Argatroban monohydrate	Injection
Dextran	Infusion
Acenocoumarol	Tablets
Apixaban	Tablets
Aspirin	Tablets
Cilostazol	Tablets
Clopidogrel	Tablets
Dabigatran	Capsules
Enoxaparin	Prefilled syringe
Etamsylate	Ampoule or vial
Heparin	Ampoule or vial
Pentoxifylline	Tablets
Prasugrel	Tablets
Rivaroxaban	Tablets
Ticagrelor	Tablets
Tranexamic acid	Tablets
Warfarin	Tablets

Veins and circulation

Calcium dobesilate	Capsules

Endocrine and reproductive health

Calcitonin salmon	Nasal spray, injection
Desmopressin acetate	Tablets, nasal spray, injection
Allylestrenol	Tablets
Bromocriptine	Tablets
Cabergoline	Tablets
Calcitonin	Drops
Carbimazole	Tablets
Cinacalcet	Tablets
Clomiphene	Tablets
Danazol	Capsules
Dehydroepiandrosterone	Tablets
Dydrogesterone	Tablets
Dydrogesterone extended release	Tablets
Estradiol	Tablets
Hydroxyprogesterone	Ampoule or vial
Hydroxyprogesterone caproate	Ampoule or vial
Letrozole	Tablets
Levonorgestrel	Tablets
Levothyroxine	Tablets
Medroxyprogesterone acetate	Tablets
Methylprednisolone	Tablets
Methylprednisolone acetate	Tablets
Norethisterone	Tablets
Prednisolone	Tablets
Progesterone	Capsules
Raloxifene	Tablets
Testosterone	Cream, ointment or gel
Testosterone enanthate	Ampoule or vial
Testosterone undecanoate	Capsules
Ulipristal acetate	Tablets

Dermatology

Crotamiton	Cream, lotion
Mafenide acetate	Cream, topical solution
Tetracaine hydrochloride	Gel, eye drops, injection
Adapalene	Cream, ointment or gel
Azelaic acid	Cream, ointment or gel
Benzoyl peroxide	Cream, ointment or gel
Betamethasone	Ampoule or vial
Clobetasol	Cream, ointment or gel
Clotrimazole	Tablets
Deflazacort	Tablets
Desonide	Cream, ointment or gel
Finasteride	Tablets
Fluticasone	Cream, ointment or gel
Glycolic acid	Cream, ointment or gel
Halobetasol	Cream, ointment or gel
Isotretinoin	Capsules
Minoxidil	Topical solution, foam or spray; oral tablets
Mometasone	Cream, ointment or gel
Salicylic acid	Cream, ointment or gel
Tacrolimus	Capsules
Tofacitinib	Tablets
Tretinoin	Cream, ointment or gel
Triamcinolone	Cream, ointment or gel
Zinc oxide	Cream, ointment or gel

Enzymes

Pancreatin	Tablets
Serratiopeptidase	Tablets

Probiotics

Bacillus clausii spores	Syrup or oral suspension

Probiotics continued

Lactic acid bacillus	Tablets
Saccharomyces boulardii	Sachet

Vitamins

Vitamin A	Capsules, injection
Vitamin B1 (Thiamine)	Tablets
Vitamin B2 (Riboflavin)	Tablets, injection
Vitamin B3 (Niacin)	Tablets
Vitamin B5 (Pantothenic acid)	Tablets, topical
Vitamin B6 (Pyridoxine)	Tablets, injection
Vitamin B7 (Biotin)	Tablets
Vitamin B9 (Folic acid)	Tablets
Vitamin B12 (Methylcobalamin)	Tablets
Vitamin C	Tablets
Vitamin D3	Capsules
Alfacalcidol	Capsules
Calcitriol	Capsules
Vitamin E	Capsules
Vitamin K	Injection, tablets

Minerals and electrolytes

Calcium gluconate monohydrate	Injection, tablets
Calcium acetate	Tablets
Calcium polystyrene sulfonate	Powder
Elemental iron	Tablets
Ferric carboxymaltose	Vial for injection
Potassium chloride	Syrup or oral suspension
Zinc acetate	Tablets
Zinc gluconate	Syrup or oral suspension

Bone health

Zoledronic acid	Infusion
Alendronate	Tablets
Ibandronic acid	Tablets

Nutrition and supplements

Coconut water	Sachet
Cod liver oil	Capsules
Glutathione	Vial for injection
Lycopene	Capsules
Omega-3 fish oil	Capsules
Tocotrienol	Capsules
Ubidecarenone	Tablets

Herbal and ayurvedic

Dried extract of ginkgo biloba	Tablets
Evening primrose oil	Capsules
Pudina ka satva	Capsules

Antiseptics and disinfectants

Povidone iodine	Cream, ointment or gel

Excipients

Fillers

Microcrystalline cellulose 101	Tablets, capsules
Microcrystalline cellulose 115	Tablets
Lactose monohydrate	Tablets, capsules, inhalers
Lactose anhydrous	Tablets, capsules
Lactose spray-dried	Tablets
Mannitol	Chewable and orally disintegrating tablets, lyophilisates
Microcrystalline cellulose 102	Tablets, capsules
Microcrystalline cellulose 112	Tablets, capsules
Microcrystalline cellulose 200	Tablets, capsules
Silicified microcrystalline cellulose	Tablets, capsules
Powdered cellulose	Tablets, capsules
Dicalcium phosphate dihydrate	Tablets, capsules
Dicalcium phosphate anhydrous	Tablets, capsules
Tricalcium phosphate	Tablets, capsules, powders
Calcium carbonate	Tablets, chewable tablets
Calcium sulfate dihydrate	Tablets, capsules
Magnesium carbonate	Tablets, capsules, powders
Maize starch	Tablets, capsules

Excipients

Fillers continued

Pregelatinised starch	Tablets, capsules
Potato starch	Tablets, capsules
Sorbitol	Chewable tablets, oral liquids
Xylitol	Chewable tablets, lozenges
Isomalt	Chewable tablets, lozenges
Dextrose monohydrate	Chewable tablets, powders
Dextrates	Chewable tablets, tablets
Sucrose	Syrups, oral liquids, coated tablets

Binders and film formers

Povidone K30	Tablets, capsules, solutions
Hypromellose E5	Coated tablets, capsules
Povidone K25	Tablets, granules
Povidone K90	Tablets, granules
Copovidone	Tablets, granules
Hypromellose E15	Tablets, film-coated tablets
Hypromellose K4M	Sustained-release tablets
Hypromellose K15M	Sustained-release tablets
Hypromellose K100M	Extended-release tablets
Hydroxypropyl cellulose	Tablets, granules, coatings
Methylcellulose	Tablets, oral liquids
Ethylcellulose	Sustained-release tablets, pellets
Sodium carboxymethylcellulose	Tablets, oral liquids, suspensions
Gelatin	Tablets, capsules
Acacia	Tablets, oral liquids, emulsions
Maltodextrin	Tablets, powders, granules
Polyvinyl alcohol	Film-coated tablets

Disintegrants

Crospovidone XL Type A	Tablets, orally disintegrating tablets
Croscarmellose sodium	Tablets, capsules
Sodium starch glycolate	Tablets, capsules
Crospovidone XL Type B	Tablets, capsules
Low-substituted hydroxypropyl cellulose	Tablets, orally disintegrating tablets
Alginic acid	Tablets, oral suspensions

Lubricants and glidants

Magnesium stearate	Tablets, capsules
Talc	Tablets, capsules, coatings
Colloidal silicon dioxide	Tablets, capsules
Calcium stearate	Tablets, capsules
Stearic acid	Tablets, capsules
Sodium stearyl fumarate	Tablets, capsules
Glyceryl behenate	Tablets, capsules
Hydrogenated vegetable oil	Tablets, capsules
Polyethylene glycol 6000	Tablets, coated tablets

Coating

Titanium dioxide	Coatings, capsules
Methacrylic acid copolymer	Enteric-coated tablets, pellets
Cellulose acetate phthalate	Enteric-coated tablets, capsules
Hypromellose phthalate	Enteric-coated tablets, capsules
Shellac	Coated tablets, pellets
Carnauba wax	Coated tablets
Beeswax	Coated tablets, ointments
Triacetin	Film-coated tablets, capsules
Triethyl citrate	Film-coated tablets, pellets

Solubilisers and surfactants

Polysorbate 80	Injections, liquids, creams
Polyoxyl 40 hydrogenated castor oil	Oral liquids, topicals
Polyoxyl 35 castor oil	Injections, oral liquids
Hydrogenated castor oil	Tablets, ointments
Polysorbate 20	Oral liquids, injections, creams
Sodium lauryl sulfate	Tablets, capsules
Poloxamer 188	Oral liquids, injections, tablets
Poloxamer 407	Gels, oral liquids, injections
Docusate sodium	Capsules, tablets, oral liquids
Betadex	Tablets, oral liquids
Hydroxypropyl betadex	Injections, oral liquids
Tocofersolan	Oral liquids, capsules

Solvents and emollients

Propylene glycol	Oral liquids, injections, topicals
Polyethylene glycol	Coatings, ointments, liquids
Isopropyl alcohol	Process solvent
Isopropyl myristate	Creams, lotions, ointments
Glycerin	Oral liquids, creams, suppositories
Ethanol	Oral liquids, topical solutions
Liquid paraffin	Ointments, creams, oral emulsions
Light liquid paraffin	Creams, lotions, ointments
White soft paraffin	Ointments
Cetostearyl alcohol	Creams, lotions
Cetyl alcohol	Creams, lotions, ointments
Stearyl alcohol	Creams, ointments
Benzyl alcohol	Injections, topical products
Dimethyl sulfoxide	Topical solutions, gels

Excipients

Solvents and emollients continued

Medium-chain triglycerides	Capsules, oral liquids, emulsions
Polyethylene glycol 400	Soft capsules, oral liquids, topical products
Oleic acid	Creams, ointments, capsules

Sweeteners

Sucralose	Syrups, chewables, sachets
Aspartame	Chewables, sachets, syrups
Acesulfame potassium	Syrups, chewables, sachets
Saccharin sodium	Oral liquids, chewable tablets
Neotame	Oral liquids, chewable tablets
Steviol glycosides	Oral liquids, chewable tablets
Liquid glucose	Syrups, lozenges

Preservatives

Methylparaben	Oral liquids, creams, injections
Propylparaben	Oral liquids, creams
Benzalkonium chloride solution	Eye drops, nasal sprays
Sodium benzoate	Oral liquids, syrups
Potassium sorbate	Oral liquids, creams
Sorbic acid	Oral liquids, creams
Chlorocresol	Creams, topical products
Phenoxyethanol	Creams, gels, lotions
Chlorhexidine gluconate	Topical solutions, creams

Antioxidants and chelators

Butylated hydroxyanisole	Capsules, creams, ointments
Butylated hydroxytoluene	Capsules, creams, ointments
Sodium metabisulfite	Injections, oral liquids
Sodium sulfite	Injections, oral liquids
Propyl gallate	Creams, ointments, capsules
Alpha tocopherol	Capsules, creams
Disodium edetate	Injections, oral liquids, eye drops

Buffers and pH adjusters

Citric acid monohydrate	Oral liquids, effervescent tablets, injections
Citric acid anhydrous	Effervescent tablets, oral liquids
Sodium citrate	Oral liquids, injections
Sodium dihydrogen phosphate	Injections, eye drops, oral liquids
Disodium hydrogen phosphate	Injections, eye drops, oral liquids
Potassium dihydrogen phosphate	Injections, eye drops, oral liquids
Sodium hydroxide	Injections, oral liquids, topical products
Tartaric acid	Effervescent tablets, oral liquids
Sodium acetate	Injections, oral liquids
Meglumine	Injections, oral liquids
Trometamol	Injections, topical products

Colours and lakes

Iron oxide red	Coated tablets, capsules
Iron oxide yellow	Coated tablets, capsules
Iron oxide black	Coated tablets, capsules
Sunset yellow FCF	Coated tablets, capsules, oral liquids
Tartrazine	Coated tablets, capsules, oral liquids
Brilliant blue FCF	Coated tablets, capsules, oral liquids
Erythrosine	Coated tablets, capsules
Quinoline yellow	Coated tablets, capsules, oral liquids
Indigo carmine	Coated tablets, capsules, oral liquids
Caramel	Oral liquids, syrups, coated tablets

Stabilisers and bases

Xanthan gum	Suspensions, gels
Calcium D-saccharate	Injections
Creatinine	Lyophilised injections
Anhydrous lanolin	Ointments, creams
Carbomer 974	Gels, oral suspensions
Carbomer 940	Gels, creams, lotions
Sodium alginate	Oral suspensions, liquids
Guar gum	Oral suspensions, tablets
Carrageenan	Oral liquids, gels
Bentonite	Suspensions, lotions, ointments
Magnesium aluminium silicate	Oral suspensions, creams
Hydroxyethyl cellulose	Gels, eye products, lotions

Finished products

Oncology and immunology

Anastrozole	Tablets · 1 strength
Apremilast	Tablets · 1 strength
Azathioprine	Tablets · 1 strength
Bicalutamide	Tablets · 1 strength
Capecitabine	Tablets · 1 strength
Cyclosporine	Capsules · 3 strengths
Hydroxyurea	Capsules · 1 strength
Iguratimod	Tablets · 1 strength
Imatinib	Tablets · 1 strength
Leflunomide	Tablets · 2 strengths
Megestrol acetate	Tablets · 3 strengths
Methotrexate	Tablets · 4 strengths
Mycophenolate	Tablets · 1 strength
Mycophenolate mofetil	Tablets · 1 strength
Tamoxifen	Tablets · 2 strengths
Thalidomide	Capsules · 1 strength

Cardiovascular

Adenosine	Ampoule or vial · 1 strength
Adrenaline	Ampoule or vial
Amiodarone	Tablets · Ampoule or vial · 3 strengths
Amlodipine	Tablets · 3 strengths
Amlodipine and atenolol	Tablets · 1 strength
Amlodipine and hydrochlorothiazide	Tablets · 1 strength
Atenolol	Tablets · 2 strengths
Atorvastatin	Tablets · 5 strengths
Atorvastatin and aspirin	Capsules · 4 strengths
Atorvastatin and clopidogrel	Capsules · Tablets · 4 strengths
Atorvastatin, clopidogrel and aspirin	Capsules · 3 strengths
Atorvastatin and fenofibrate	Tablets · 1 strength
Azelnidipine	Tablets · 1 strength
Azilsartan	Tablets · 1 strength
Bempedoic acid	Tablets · 1 strength
Bempedoic acid and ezetimibe	Tablets · 1 strength
Benidipine	Tablets · 2 strengths
Bisoprolol	Tablets · 3 strengths
Bisoprolol and amlodipine	Tablets · 1 strength
Candesartan	Tablets · 2 strengths
Carvedilol	Tablets · 6 strengths
Cilnidipine	Tablets · 3 strengths
Cilnidipine and chlorthalidone	Tablets · 1 strength
Cilnidipine and nebivolol	Tablets · 1 strength
Clonidine	Tablets · 1 strength
Digoxin	Tablets · 1 strength
Diltiazem	Tablets · 3 strengths
Dobutamine	Ampoule or vial · 1 strength
Dopamine	Ampoule or vial
Enalapril	Tablets · 3 strengths
Ezetimibe	Tablets · 1 strength
Fenofibrate	Tablets · 3 strengths
Hydralazine	Tablets · Ampoule or vial · 2 strengths
Isosorbide dinitrate and hydralazine	Tablets · 1 strength
Isosorbide mononitrate	Tablets · 4 strengths
Isoxsuprine modified release	Tablets · 1 strength
Ivabradine	Tablets · 2 strengths
Ivabradine and carvedilol	Tablets · 1 strength
Labetalol	Tablets · Ampoule or vial · 2 strengths
Lisinopril	Tablets · 4 strengths
Lisinopril and amlodipine	Tablets · 1 strength
Losartan	Tablets · 2 strengths
Losartan and amlodipine	Tablets · 1 strength
Losartan and hydrochlorothiazide	Tablets · 1 strength
Methyldopa	Tablets · 1 strength
Methylene blue	Ampoule or vial · 1 strength
Metoprolol	Tablets · 2 strengths
Metoprolol and amlodipine	Tablets · 2 strengths
Metoprolol and hydrochlorothiazide	Tablets · 1 strength
Metoprolol succinate	Tablets · 3 strengths
Metoprolol succinate and cilnidipine	Tablets · 2 strengths
Metoprolol succinate and ramipril	Tablets · 1 strength
Metoprolol tartrate	Ampoule or vial · 1 strength

Cardiovascular continued

Metoprolol tartrate and hydrochlorothiazide	Tablets · 1 strength
Midodrine	Tablets · 3 strengths
Moxonidine	Tablets · 2 strengths
Nebivolol	Tablets · 2 strengths
Nebivolol and amlodipine	Tablets · 1 strength
Nebivolol and hydrochlorothiazide	Tablets · 1 strength
Nebivolol and S-amlodipine	Tablets · 1 strength
Nifedipine	Tablets · Capsules · 4 strengths
Nitroglycerin	Cream, ointment or gel · Tablets · 3 strengths
Noradrenaline	Ampoule or vial · 1 strength
Olmesartan	Tablets · 3 strengths
Olmesartan and amlodipine	Tablets · 2 strengths
Olmesartan, amlodipine and chlorthalidone	Tablets · 1 strength
Olmesartan, amlodipine and hydrochlorothiazide	Tablets · 2 strengths
Olmesartan and chlorthalidone	Tablets · 1 strength
Olmesartan and cilnidipine	Tablets · 2 strengths
Olmesartan, cilnidipine and chlorthalidone	Tablets · 1 strength
Olmesartan and hydrochlorothiazide	Tablets · 2 strengths
Olmesartan and metoprolol tartrate	Tablets · 4 strengths
Perindopril	Tablets · 1 strength
Propranolol	Tablets · 2 strengths
Propranolol and flunarizine	Tablets · 1 strength
Ramipril	Tablets · 2 strengths
Ranolazine	Tablets · 1 strength
Rosuvastatin	Tablets · 4 strengths
Rosuvastatin and aspirin	Capsules · 4 strengths
Rosuvastatin and clopidogrel	Capsules · 2 strengths
Rosuvastatin, clopidogrel and aspirin	Capsules · 2 strengths
Rosuvastatin and ezetimibe	Tablets · 2 strengths
Rosuvastatin and fenofibrate	Tablets · 2 strengths
S-amlodipine	Tablets · 2 strengths
Sacubitril and valsartan	Tablets · 2 strengths
Simvastatin	Tablets · 2 strengths
Sotalol	Tablets · 1 strength
Telmisartan	Tablets · 3 strengths
Telmisartan and amlodipine	Tablets · 2 strengths
Telmisartan, amlodipine and hydrochlorothiazide	Tablets · 1 strength
Telmisartan and bisoprolol	Tablets · 2 strengths
Telmisartan and chlorthalidone	Tablets · 4 strengths
Telmisartan, chlorthalidone and metoprolol	Tablets · 4 strengths
Telmisartan and cilnidipine	Tablets · 1 strength
Telmisartan, cilnidipine and chlorthalidone	Tablets · 1 strength
Telmisartan, cilnidipine and metoprolol	Tablets · 2 strengths
Telmisartan and hydrochlorothiazide	Tablets · 2 strengths
Telmisartan and metoprolol	Tablets · 1 strength
Telmisartan and metoprolol tartrate	Tablets · 1 strength
Tolvaptan	Tablets · 1 strength
Trimetazidine	Tablets · Capsules · 3 strengths
Valsartan	Tablets · 2 strengths
Valsartan and amlodipine	Tablets · 1 strength

Anti-diabetics

Acarbose	Tablets · 2 strengths
Canagliflozin	Tablets · 1 strength
Dapagliflozin	Tablets · 2 strengths
Dapagliflozin and bisoprolol	Tablets · 3 strengths
Dapagliflozin and metformin	Tablets · 2 strengths
Dapagliflozin, metformin and glimepiride	Tablets · 4 strengths
Dapagliflozin and pioglitazone	Tablets · 1 strength
Dapagliflozin, sitagliptin and metformin	Tablets · 2 strengths
Dapagliflozin and teneligliptin	Tablets · 1 strength
Empagliflozin	Tablets · 2 strengths
Empagliflozin and linagliptin	Tablets · 2 strengths
Empagliflozin and metformin	Tablets · 5 strengths

Finished products

Anti-diabetics continued

Empagliflozin and sitagliptin	Tablets · 2 strengths
Glibenclamide	Tablets · 1 strength
Glibenclamide and metformin	Tablets · 2 strengths
Glibenclamide, metformin and pioglitazone	Tablets · 1 strength
Gliclazide	Tablets · 4 strengths
Gliclazide and metformin	Tablets · 3 strengths
Gliclazide, metformin and voglibose	Tablets · 2 strengths
Glimepiride	Tablets · 5 strengths
Glimepiride and metformin	Tablets · 12 strengths
Glimepiride, metformin and pioglitazone	Tablets · 2 strengths
Glimepiride, metformin and voglibose	Tablets · 4 strengths
Glimepiride, sitagliptin and metformin	Tablets · 2 strengths
Glipizide	Tablets · 1 strength
Glipizide and metformin	Tablets · 1 strength
Imeglimin	Tablets · 2 strengths
Linagliptin	Tablets · 1 strength
Linagliptin and dapagliflozin	Tablets · 1 strength
Linagliptin and metformin	Tablets · 4 strengths
Metformin	Tablets · 3 strengths
Metformin and alpha lipoic	Tablets · 1 strength
Pioglitazone	Tablets · 2 strengths
Pioglitazone and metformin	Tablets · 1 strength
Remogliflozin	Tablets · 1 strength
Repaglinide	Tablets · 3 strengths
Sitagliptin	Tablets · 3 strengths
Sitagliptin and dapagliflozin	Tablets · 2 strengths
Sitagliptin and gliclazide	Tablets · 2 strengths
Sitagliptin, glimepiride and metformin	Tablets · 2 strengths
Sitagliptin and metformin	Tablets · 2 strengths
Teneligliptin	Tablets · 1 strength
Teneligliptin and metformin	Tablets · 2 strengths
Teneligliptin, metformin and dapagliflozin	Tablets · 2 strengths
Vildagliptin	Tablets · 2 strengths
Vildagliptin and dapagliflozin	Tablets · 1 strength
Vildagliptin and metformin	Tablets · 3 strengths
Voglibose	Tablets · 2 strengths
Voglibose and metformin	Tablets · 2 strengths
Voglibose and repaglinide	Tablets · 4 strengths

Anti-infectives

Ciprofloxacin infusion	Ready-to-use infusion
Levofloxacin infusion	Ready-to-use infusion
Ofloxacin infusion	Ready-to-use infusion
Metronidazole infusion	Ready-to-use infusion
Linezolid infusion	Ready-to-use infusion
Polymyxin B for injection	Powder for injection
Amikacin	Ampoule or vial · 1 strength
Amoxicillin	Capsules · Vial for injection · Syrup or oral suspension · Tablets · 7 strengths
Amoxicillin and clavulanic acid	Tablets · Vial for injection · Syrup or oral suspension · 6 strengths
Amoxicillin, clavulanic acid and lactic acid bacillus	Tablets · 1 strength
Ampicillin	Capsules · Vial for injection · 3 strengths
Ampicillin and cloxacillin	Capsules · 1 strength
Azithromycin	Tablets · Vial for injection · 3 strengths
Cefadroxil and lactic bacillus	Tablets · 2 strengths
Cefepime	Vial for injection · 1 strength
Cefixime	Tablets · Syrup or oral suspension · 3 strengths
Cefixime and lactic acid bacillus	Tablets · 1 strength
Cefixime and ofloxacin	Syrup or oral suspension · Tablets · 2 strengths
Cefixime dispersible	Tablets · 1 strength
Cefoperazone and sulbactam	Vial for injection · 1 strength
Cefotaxime	Vial for injection · 2 strengths
Cefpodoxime	Tablets · Syrup or oral suspension · 3 strengths
Cefpodoxime and clavulanic acid	Tablets · 1 strength
Cefpodoxime and ofloxacin	Tablets · 1 strength
Cefpodoxime and potassium clavulanate	Syrup or oral suspension · 1 strength
Ceftazidime	Vial for injection · 1 strength
Ceftriaxone	Vial for injection · 3 strengths

Anti-infectives continued

Ceftriaxone and sulbactam	Vial for injection · 1 strength
Ceftriaxone and tazobactam	Vial for injection · 1 strength
Cefuroxime	Tablets · Vial for injection · 4 strengths
Cefuroxime and clavulanic acid	Tablets · 1 strength
Cephalexin	Tablets · Capsules · 3 strengths
Chloramphenicol	Capsules · Vial for injection · 4 strengths
Ciprofloxacin	Tablets · 2 strengths
Ciprofloxacin, metronidazole and terbinafine cream	Cream, ointment or gel · 1 strength
Clarithromycin	Tablets · Vial for injection · 3 strengths
Clindamycin	Capsules · 2 strengths
Clofazimine	Capsules · 1 strength
Cycloserine	Capsules · 1 strength
Doxycycline	Vial for injection · 1 strength
Doxycycline and lactic acid bacillus	Tablets · Capsules · 2 strengths
Erythromycin	Tablets · 2 strengths
Faropenem	Tablets · 2 strengths
Faropenem and potassium clavulanate	Tablets · 1 strength
Fosfomycin	Sachet · 1 strength
Fusidic acid	Cream, ointment or gel · 1 strength
Fusidic acid and beclomethasone	Cream, ointment or gel · 1 strength
Gentamicin	Ampoule or vial · 1 strength
Isoniazid	Tablets · 2 strengths
Levofloxacin	Tablets · 1 strength
Linezolid	Tablets · Syrup or oral suspension · 1 strength
Meropenem	Vial for injection · 2 strengths
Metronidazole	Cream, ointment or gel · Syrup or oral suspension · Tablets · Capsules · 5 strengths
Metronidazole and povidone iodine	Cream, ointment or gel · 1 strength
Minocycline	Tablets · 2 strengths
Moxifloxacin	Tablets · Cream, ointment or gel · 2 strengths
Mupirocin	Cream, ointment or gel · 1 strength
Neomycin, polymyxin B and bacitracin	Cream, ointment or gel · 1 strength
Nitrofurantoin	Tablets · 1 strength
Norfloxacin and beta-cyclodextrin	Capsules · 1 strength
Norfloxacin and tinidazole	Tablets · 1 strength
Ofloxacin	Tablets · 1 strength
Ofloxacin and ornidazole	Tablets · 1 strength
Piperacillin and tazobactam	Vial for injection · 2 strengths
Sulfasalazine	Tablets · 2 strengths
Tinidazole	Tablets · 1 strength
Tinidazole, clarithromycin and lansoprazole	Tablets · 1 strength
Trimethoprim and sulfamethoxazole (Co-trimoxazole)	Tablets · 2 strengths
Vancomycin	Ampoule or vial · 2 strengths

Antifungals

Fluconazole infusion	Ready-to-use infusion
Amorolfine	Cream, ointment or gel · 1 strength
Ciclopirox	Cream, ointment or gel · 1 strength
Fluconazole	Tablets · 2 strengths
Griseofulvin	Tablets · 2 strengths
Itraconazole	Capsules · 4 strengths
Itraconazole, ofloxacin, ornidazole and clobetasol	Cream, ointment or gel · 1 strength
Ketoconazole	Tablets · Cream, ointment or gel · 3 strengths
Ketoconazole and zinc pyrithione	Powder · 1 strength
Ketoconazole shampoo with biotin	Tablets
Luliconazole	Cream, ointment or gel · 1 strength
Luliconazole and clobetasol	Cream, ointment or gel · 1 strength
Miconazole nitrate	Cream, ointment or gel · 1 strength
Miconazole nitrate and fluocinolone	Cream, ointment or gel · 1 strength
Terbinafine	Tablets · Cream, ointment or gel · 3 strengths
Voriconazole	Tablets · 1 strength

Antivirals

Aciclovir	Tablets · 3 strengths
Entecavir	Tablets · 1 strength
Oseltamivir	Capsules · Syrup or oral suspension · 4 strengths
Tenofovir alafenamide	Tablets · 1 strength
Tenofovir disoproxil	Tablets · 1 strength

Finished products

Antivirals continued

Valacyclovir	Tablets · 2 strengths
Valganciclovir	Tablets · 1 strength

Antimalarials

Artemether	Ampoule or vial · 2 strengths
Artemether and lumefantrine	Tablets · 2 strengths
Artesunate	Vial for injection · 4 strengths
Hydroxychloroquine	Tablets · 1 strength

Antiparasitics

Albendazole	Tablets · 1 strength
Fenbendazole	Tablets · 2 strengths
Gamma benzene hexachloride and cetrimide	Topical lotion or emulsion · 1 strength
Ivermectin	Tablets · Cream, ointment or gel · 4 strengths
Mebendazole	Tablets · Syrup or oral suspension · 2 strengths
Permethrin	Cream, ointment or gel · 1 strength
Praziquantel	Tablets · 1 strength

Respiratory and allergy

Salbutamol respules	Unit-dose nebuliser solution
Fluticasone propionate respules	Unit-dose nebuliser suspension
Acebrophylline	Capsules · 1 strength
Acebrophylline, desloratadine and montelukast	Tablets · 1 strength
Acebrophylline and doxofylline	Tablets · 1 strength
Acebrophylline, terbutaline and menthol	Syrup or oral suspension · 1 strength
Acebrophylline SR, fexofenadine and montelukast	Tablets · 1 strength
Acetylcysteine	Tablets · Ampoule or vial · 3 strengths
Ambrisentan	Tablets · 1 strength
Ambroxol	Syrup or oral suspension · Tablets · 2 strengths
Bilastine	Tablets · 1 strength
Bilastine and montelukast	Tablets · 1 strength
Bosentan	Tablets · 1 strength
Budesonide	Respules for nebulisation · 2 strengths
Budesonide and formoterol	Metered dose inhaler, inhalation capsules, respules for nebulisation · 3 strengths
Camphor, eucalyptol and menthol softgel	Capsules · 1 strength
Cetirizine	Tablets · 1 strength
Chlorpheniramine	Syrup or oral suspension
Paediatric cough syrup with ambroxol	Syrup or oral suspension · 1 strength
Cough and cold syrup with guaifenesin	Syrup or oral suspension · 1 strength
Dextromethorphan and chlorpheniramine	Tablets · 1 strength
Dextromethorphan, chlorpheniramine and phenylephrine	Syrup or oral suspension · Tablets · 2 strengths
Doxofylline	Tablets · 1 strength
Etofylline and theophylline	Ampoule or vial · 1 strength
Etofylline and theophylline hydrate	Tablets · 1 strength
Fexofenadine	Tablets · Syrup or oral suspension · 3 strengths
Fluticasone	Nasal spray · 1 strength
Fluticasone and azelastine	Nasal spray · 1 strength
Fluticasone and formoterol	Metered dose inhaler, inhalation capsules · 1 strength
Fluticasone, oxymetazoline and benzalkonium chloride	Nasal spray · 1 strength
Fluticasone and salmeterol	Metered dose inhaler, inhalation capsules · 1 strength
Glycopyrrolate	Ampoule or vial · 1 strength
Glycopyrrolate and formoterol	Metered-dose inhaler (MDI) · 1 strength
Levocetirizine	Tablets · Syrup or oral suspension · 2 strengths
Levocetirizine and ambroxol	Tablets · Syrup or oral suspension · 2 strengths
Levocloperastine fendizoate	Syrup or oral suspension · 1 strength
Levodropropizine and chlorpheniramine	Syrup or oral suspension · 1 strength
Levosalbutamol	Syrup or oral suspension · Respules for nebulisation · 3 strengths
Levosalbutamol, ambroxol and guaifenesin	Syrup or oral suspension · 1 strength
Levosalbutamol and budesonide	Respules for nebulisation · 1 strength

Respiratory and allergy continued

Levosalbutamol and ipratropium	Respules for nebulisation · 1 strength
Loratadine	Tablets · 1 strength
Menthol, camphor, thymol and eucalyptus oil	Lozenge · 1 strength
Mometasone	Nasal spray · 1 strength
Montelukast	Tablets · 1 strength
Montelukast and acebrophylline	Tablets · 1 strength
Montelukast and desloratadine	Tablets · 1 strength
Montelukast and doxofylline	Tablets · 1 strength
Montelukast and ebastine	Tablets · 1 strength
Montelukast and fexofenadine	Tablets · Syrup or oral suspension · 2 strengths
Montelukast, fexofenadine and acebrophylline	Tablets · 1 strength
Montelukast and levocetirizine	Tablets · 1 strength
Montelukast, levocetirizine and ambroxol	Tablets · 1 strength
N-acetylcysteine and acebrophylline	Tablets · 1 strength
Mucolytic syrup with curcumin	Syrup or oral suspension
Nintedanib	Capsules · 2 strengths
Oxymetazoline	Spray · 1 strength
Paracetamol, chlorpheniramine and phenylephrine	Tablets · 1 strength
Paracetamol, phenylephrine, caffeine and diphenhydramine	Tablets · 1 strength
Paediatric cold and cough syrup	Syrup or oral suspension · 1 strength
Phenylephrine and chlorpheniramine	Syrup or oral suspension · 1 strength
Pirfenidone	Tablets · 2 strengths
Salbutamol	Syrup or oral suspension · 1 strength
Sodium chloride	Drops · 1 strength
Terbutaline, ambroxol, guaifenesin and menthol	Syrup or oral suspension · 1 strength
Tiotropium bromide	Inhalation capsules, respules for nebulisation · 2 strengths
Tiotropium bromide and formoterol	Inhalation capsules · 1 strength
Xylometazoline hydrochloride	Spray · 2 strengths

Neurology, psychiatry and anaesthesia

Acamprosate	Tablets · 1 strength
Amantadine	Capsules · 1 strength
Amitriptyline	Tablets · 2 strengths
Aripiprazole	Tablets · 1 strength
Atomoxetine	Tablets · 3 strengths
Atropine	Ampoule or vial · 1 strength
Baclofen	Tablets · 1 strength
Betahistine	Tablets · 2 strengths
Brivaracetam	Tablets · 2 strengths
Bupivacaine in dextrose	Ampoule or vial
Bupropion prolonged release	Tablets · 1 strength
Caffeine	Ampoule or vial · 1 strength
Carbamazepine controlled release	Tablets · 2 strengths
Caroverine	Capsules · 1 strength
Cerebroprotein hydrolysate	Tablets · 1 strength
Cinnarizine	Tablets · 1 strength
Cinnarizine and domperidone	Tablets · 1 strength
Citicoline	Tablets · Ampoule or vial · Syrup or oral suspension · 4 strengths
Citicoline and piracetam	Tablets · 2 strengths
Desvenlafaxine	Tablets · 1 strength
Disulfiram	Tablets · 1 strength
Donepezil	Tablets · 1 strength
Donepezil and memantine	Tablets · 1 strength
Duloxetine	Capsules · 2 strengths
Escitalopram	Tablets · 2 strengths
Fluoxetine	Capsules · 2 strengths
Flupentixol and melitracen	Tablets · 1 strength
Gabapentin	Capsules · Tablets · 3 strengths
Gabapentin, ketoprofen, capsaicin and methyl salicylate	Cream, ointment or gel · 1 strength
Gabapentin, lidocaine and baclofen	Cream, ointment or gel · 1 strength
Gabapentin and methylcobalamin	Tablets · 2 strengths
Gabapentin, methylcobalamin and nortriptyline	Tablets · 1 strength
Gabapentin and nortriptyline	Tablets · 2 strengths
Haloperidol	Tablets · 1 strength

Neurology, psychiatry and anaesthesia continued

Hydroxyzine	Tablets · Syrup or oral suspension · 3 strengths
Lacosamide	Tablets · 2 strengths
Lamotrigine	Tablets · 2 strengths
Levetiracetam	Tablets · Ampoule or vial · Syrup or oral suspension · 6 strengths
Lidocaine	Cream, ointment or gel · Vial for injection · 2 strengths
Lidocaine and adrenaline	Vial for injection · 1 strength
Lithium carbonate	Tablets · 1 strength
Melatonin	Sachet · 1 strength
Memantine	Tablets · 1 strength
Modafinil	Tablets · 1 strength
Neostigmine methylsulphate	Ampoule or vial · 1 strength
Nimodipine	Tablets · 1 strength
Nortriptyline	Tablets · 1 strength
Olanzapine	Tablets · 2 strengths
Oxcarbazepine	Tablets · 3 strengths
Perampanel	Tablets · 1 strength
Phenytoin	Tablets · 1 strength
Piracetam	Tablets · Vial for injection · Syrup or oral suspension · 5 strengths
Pregabalin	Tablets · Capsules · 5 strengths
Pregabalin and duloxetine	Capsules · 1 strength
Pregabalin and methylcobalamin	Capsules · 3 strengths
Pregabalin and nortriptyline	Tablets · 1 strength
Pregabalin, nortriptyline and methylcobalamin	Tablets · 1 strength
Pregabalin SR and etoricoxib	Tablets · 1 strength
Propofol	Vial for injection · 1 strength
Pyridostigmine bromide	Tablets · 1 strength
Quetiapine	Tablets · 3 strengths
Rasagiline	Tablets · 2 strengths
Risperidone	Tablets · 2 strengths
Risperidone and trihexyphenidyl	Tablets · 3 strengths
Rizatriptan	Tablets · 1 strength
Sertraline	Tablets · 2 strengths
Sodium valproate	Tablets · Syrup or oral suspension · 3 strengths
Sodium valproate and valproic acid	Tablets · 3 strengths
Sumatriptan	Tablets · 1 strength
Topiramate	Tablets · 2 strengths
Trazodone	Tablets · 2 strengths
Trihexyphenidyl	Tablets · 1 strength
Valproic acid	Tablets · 1 strength
Varenicline	Tablets · 2 strengths
Venlafaxine	Capsules · 1 strength
Zolmitriptan and benzalkonium chloride	Nasal spray · 1 strength

Pain and inflammation

Paracetamol infusion	Ready-to-use infusion
Aceclofenac	Tablets · 2 strengths
Aceclofenac and paracetamol	Tablets · 1 strength
Aceclofenac, paracetamol and chlorzoxazone	Tablets · 1 strength
Aceclofenac, paracetamol and serratiopeptidase	Tablets · 1 strength
Aceclofenac, paracetamol and thiocolchicoside	Tablets · 2 strengths
Allopurinol	Tablets · 2 strengths
Celecoxib	Capsules · 1 strength
Colchicine	Tablets · 2 strengths
Diacerein	Capsules · 1 strength
Diacerein and glucosamine	Tablets · 1 strength
Diacerein, glucosamine and methylsulfonylmethane	Tablets · 1 strength
Diacerein and glucosamine sulphate potassium chloride	Tablets · 1 strength
Diacerein, glucosamine sulphate potassium chloride and methylsulfonylmethane	Tablets · 1 strength
Diclofenac	Cream, ointment or gel · 1 strength
Diclofenac with thiocolchicoside pain gel	Cream, ointment or gel · 1 strength
Diclofenac diethylamine, virgin linseed oil, menthol and methyl salicylate	Cream, ointment or gel · 1 strength
Diclofenac pain gel with capsaicin	Cream, ointment or gel · 1 strength
Diclofenac potassium	Tablets · 1 strength
Diclofenac sodium	Tablets · Ampoule or vial · 3 strengths
Diclofenac with mephenesin pain gel	Cream, ointment or gel · 1 strength

Pain and inflammation continued

Diclofenac sodium, methyl salicylate, menthol and linseed oil	Powder · 1 strength
Diclofenac sodium and paracetamol	Tablets · 1 strength
Diclofenac sodium, paracetamol and chlorzoxazone	Tablets · 1 strength
Diclofenac sodium and serratiopeptidase	Tablets · 1 strength
Diclofenac diethylamine, linseed oil, menthol and methyl salicylate	Topical spray · 2 strengths
Etodolac	Tablets · 2 strengths
Etodolac and thiocolchicoside	Tablets · 2 strengths
Etodolac prolonged release	Tablets · 1 strength
Etoricoxib	Tablets · 3 strengths
Etoricoxib and thiocolchicoside	Tablets · 1 strength
Febuxostat	Tablets · 2 strengths
Flupirtine and paracetamol	Tablets · 1 strength
Glucosamine	Tablets · 1 strength
Glucosamine and chondroitin	Tablets · Capsules · 2 strengths
Ibuprofen and paracetamol	Syrup or oral suspension · 1 strength
Indomethacin	Tablets · Capsules · 2 strengths
Ketorolac	Tablets · Ampoule or vial · 2 strengths
Mefenamic acid	Tablets · 2 strengths
Mefenamic acid and dicyclomine	Tablets · 1 strength
Mefenamic acid and paracetamol	Tablets · Syrup or oral suspension · 3 strengths
Methocarbamol	Tablets · 1 strength
Naproxen	Tablets · 2 strengths
Naproxen and domperidone	Tablets · 2 strengths
Nimesulide	Cream, ointment or gel · Tablets · 2 strengths
Nimesulide and paracetamol	Tablets · 1 strength
Paracetamol	Tablets · Ampoule or vial · Suppository · Syrup or oral suspension · 11 strengths
Paracetamol and caffeine	Tablets · 1 strength
Paracetamol, diclofenac sodium and serratiopeptidase	Tablets · 1 strength
Piroxicam	Tablets · Cream, ointment or gel · 2 strengths
Polmacoxib	Capsules · 1 strength
Thiocolchicoside	Capsules · Ampoule or vial · 3 strengths
Thiocolchicoside and aceclofenac	Tablets · 1 strength
Tolperisone	Tablets · 1 strength
Tolperisone and etoricoxib	Tablets · 1 strength

Gastrointestinal

Acotiamide	Tablets · 1 strength
Antacid	Tablets
Antacid salt	Powder
Beclomethasone, phenylephrine, lidocaine and chlorocresol	Cream, ointment or gel · 1 strength
Bisacodyl	Tablets · Suppository · 3 strengths
Calcium dobesilate, lidocaine, hydrocortisone and zinc	Cream, ointment or gel
Camylofin and paracetamol	Tablets · 1 strength
Cinitapride	Tablets · 2 strengths
Dexlansoprazole	Capsules · 2 strengths
Dicyclomine	Ampoule or vial · 1 strength
Domperidone	Tablets · Syrup or oral suspension · 2 strengths
Drotaverine	Tablets · Ampoule or vial · 2 strengths
Drotaverine and mefenamic acid	Tablets · 1 strength
Esomeprazole	Tablets · Vial for injection · 3 strengths
Esomeprazole and domperidone	Capsules · 1 strength
Esomeprazole and itopride	Capsules · 1 strength
Esomeprazole and levosulpiride	Capsules · 1 strength
Granisetron	Tablets · 1 strength
Hyoscine butylbromide	Tablets · Ampoule or vial · 2 strengths
Itopride	Tablets · 1 strength
L-ornithine L-aspartate	Ampoule or vial · Sachet · 2 strengths
L-ornithine L-aspartate and pancreatin	Tablets · 1 strength
Lactulose	Syrup or oral suspension · 1 strength
Lansoprazole	Tablets · 1 strength
Levosulpiride	Tablets · Ampoule or vial · 3 strengths

Gastrointestinal continued

Loperamide	Capsules · 1 strength
Macrogol 3350, sodium chloride, sodium bicarbonate and potassium chloride	Powder for oral solution (sachet) or ready-to-drink solution · 1 strength
Mebeverine	Tablets · 1 strength
Mebeverine hydrochloride and chlordiazepoxide	Tablets · 1 strength
Mesalamine	Tablets · Sachet · 5 strengths
Metoclopramide	Ampoule or vial · 1 strength
Omeprazole	Capsules · Ampoule or vial · 2 strengths
Omeprazole and domperidone	Capsules · 1 strength
Omeprazole, sodium bicarbonate and magnesium hydroxide	Sachet · 1 strength
Ondansetron	Tablets · Ampoule or vial · Syrup or oral suspension · 4 strengths
Orlistat	Capsules · 1 strength
Pantoprazole	Tablets · Vial for injection · 4 strengths
Pantoprazole and cinitapride	Capsules · 1 strength
Pantoprazole and domperidone	Tablets · Capsules · 2 strengths
Pantoprazole and itopride	Capsules · 1 strength
Pantoprazole and levosulpiride	Capsules · 1 strength
Prochlorperazine	Tablets · 1 strength
Prucalopride	Tablets · 1 strength
Rabeprazole	Tablets · Vial for injection · 2 strengths
Rabeprazole and aceclofenac	Capsules · 1 strength
Rabeprazole and domperidone	Tablets · Capsules · 2 strengths
Rabeprazole and itopride	Capsules · 1 strength
Racecadotril	Capsules · Sachet · 2 strengths
Racecadotril, lyophilised saccharomyces boulardii and lactic acid bacillus	Sachet · 1 strength
Ramosetron	Tablets · 1 strength
Ranitidine	Tablets · Ampoule or vial · Syrup or oral suspension · 3 strengths
Ranitidine and domperidone	Tablets · 1 strength
Rifaximin	Tablets · Syrup or oral suspension · 4 strengths
S-adenosyl-l-methionine	Tablets · 1 strength
Silymarin	Tablets · 1 strength
Silymarin with liver antioxidants	Tablets · 1 strength
Simethicone	Capsules · 1 strength
Sodium alginate, sodium bicarbonate and calcium carbonate	Syrup or oral suspension · 1 strength
Sucralfate	Tablets · Syrup or oral suspension · 2 strengths
Sucralfate, metronidazole and lidocaine	Cream, ointment or gel · 1 strength
Ursodeoxycholic acid	Tablets · Syrup or oral suspension · 3 strengths

Ophthalmic

Atropine	Drops · 1 strength
Bimatoprost	Drops · 1 strength
Brimonidine and timolol	Drops · 1 strength
Bromfenac	Drops · 1 strength
Carboxymethylcellulose	Drops · 1 strength
Ciprofloxacin, chlorpheniramine, zinc sulphate and benzalkonium chloride	Drops · 1 strength
Ciprofloxacin and dexamethasone	Drops · 1 strength
Dexamethasone and chloramphenicol	Drops · 1 strength
Dorzolamide	Drops · 1 strength
Flurbiprofen	Drops · 1 strength
Gatifloxacin	Drops · 1 strength
Gatifloxacin and flurbiprofen	Drops · 1 strength
Gatifloxacin and prednisolone acetate	Drops · 1 strength
Gentamicin, chlorpheniramine and zinc sulphate	Drops · 1 strength
Gentamicin and dexamethasone	Drops · 1 strength
Hydroxypropyl methylcellulose and benzalkonium	Drops · 1 strength
Ketorolac and chlorpheniramine	Drops · 1 strength
Ketorolac and ofloxacin	Drops · 1 strength
Ketorolac and olopatadine	Drops · 1 strength
Latanoprost	Drops · 1 strength
Latanoprost and timolol	Drops · 1 strength
Loteprednol	Drops · 1 strength

Ophthalmic continued

Moxifloxacin	Drops · 1 strength
Moxifloxacin and dexamethasone	Drops · 1 strength
Moxifloxacin and ketorolac	Drops · 1 strength
Moxifloxacin and loteprednol	Drops · 1 strength
Moxifloxacin and prednisolone	Drops · 1 strength
Decongestant eye drops with antihistamine	Drops · 1 strength
Natamycin	Drops · 1 strength
Nepafenac	Drops · 1 strength
Ofloxacin	Drops · 1 strength
Ofloxacin and dexamethasone	Drops · 1 strength
Olopatadine	Drops · 2 strengths
Polyethylene glycol, propylene glycol and sodium perborate	Drops · 1 strength
Prednisolone	Drops · 1 strength
Sodium carboxymethylcellulose and stabilised oxychloro complex	Drops · 1 strength
Sodium hyaluronate	Drops · 1 strength
Sodium hyaluronate and D-panthenol	Drops · 1 strength
Timolol and benzalkonium chloride	Drops · 1 strength
Tobramycin	Drops · 1 strength
Travoprost	Drops · 1 strength
Tropicamide and phenylephrine	Drops · 1 strength

Ear, nose and throat

Gentamicin, beclomethasone, clotrimazole and lidocaine	Drops · 1 strength
Paradichlorobenzene, benzocaine, turpentine oil and chlorbutol	Drops · 1 strength

Urology

Alfuzosin	Tablets · 1 strength
Alfuzosin and dutasteride	Tablets · 1 strength
Bethanechol chloride	Tablets · 1 strength
D-mannose, cranberry extract and lacticaseibacillus rhamnosus	Tablets · 1 strength
Dapoxetine and sildenafil	Tablets · 1 strength
Darifenacin prolonged release	Tablets · 2 strengths
Doxazosin	Tablets · 1 strength
Dutasteride	Tablets · Capsules · 2 strengths
Finasteride	Tablets · 2 strengths
Flavoxate	Tablets · 1 strength
Mirabegron	Tablets · 2 strengths
Mirabegron and silodosin	Tablets · 2 strengths
Mirabegron and solifenacin	Tablets · 1 strength
Oxybutynin	Tablets · 2 strengths
Potassium citrate, magnesium citrate and pyridoxine (vitamin B6)	Oral solution · 1 strength
Prazosin	Tablets · 2 strengths
Sildenafil	Tablets · 1 strength
Silodosin	Capsules · 1 strength
Silodosin and dutasteride	Tablets · 1 strength
Silodosin and solifenacin	Tablets · 1 strength
Silodosin and tadalafil	Capsules · 1 strength
Solifenacin	Tablets · 2 strengths
Tamsulosin	Capsules · Tablets · 2 strengths
Tamsulosin and deflazacort	Capsules · 1 strength
Tamsulosin and dutasteride	Tablets · 1 strength
Tamsulosin and finasteride	Tablets · 1 strength
Tolterodine	Tablets · 2 strengths
Tolterodine tartrate extended release	Capsules · 1 strength
Vardenafil	Tablets · 1 strength

Renal and diuretics

Acetazolamide	Tablets · 1 strength
Alpha ketoanalogues and essential amino acids	Tablets
Calcium acetate	Tablets · 1 strength
Calcium polystyrene sulfonate	Powder
Chlorthalidone	Tablets · 2 strengths
Cinacalcet	Tablets · 1 strength
Eplerenone	Tablets · 1 strength
Furosemide	Tablets · Ampoule or vial · 2 strengths
Furosemide and spironolactone	Tablets · 1 strength
Hydrochlorothiazide	Tablets · 2 strengths

Finished products

Renal and diuretics continued

Indapamide	Tablets · 1 strength
Levocarnitine	Tablets · 1 strength
Metolazone	Tablets · 2 strengths
N-acetylcysteine and pyridoxamine	Tablets · 1 strength
N-acetylcysteine and taurine	Tablets · 1 strength
Sevelamer	Tablets · 1 strength
Sevelamer carbonate	Tablets · 1 strength
Sodium bicarbonate	Tablets · 2 strengths
Sodium bicarbonate, sodium citrate, citric acid and tartaric acid	Sachet · 1 strength
Spironolactone	Tablets · 2 strengths
Torsemide	Tablets · 5 strengths
Torsemide and spironolactone	Tablets · 2 strengths

Blood and anticoagulants

Acenocoumarol	Tablets · 4 strengths
Apixaban	Tablets · 2 strengths
Aspirin	Tablets · 2 strengths
Cilostazol	Tablets · 2 strengths
Clopidogrel	Tablets · 1 strength
Clopidogrel and aspirin	Tablets · Capsules · 2 strengths
Dabigatran	Capsules · Tablets · 3 strengths
Enoxaparin	Prefilled syringe · 2 strengths
Etamsylate	Ampoule or vial · 1 strength
Heparin	Ampoule or vial · 2 strengths
Heparin and benzyl nicotinate	Cream, ointment or gel · 1 strength
Pentoxifylline	Tablets · 1 strength
Prasugrel	Tablets · 1 strength
Rivaroxaban	Tablets · 4 strengths
Ticagrelor	Tablets · 2 strengths
Tranexamic acid	Tablets · Ampoule or vial · 1 strength
Warfarin	Tablets · 4 strengths

Veins and circulation

Calcium dobesilate	Capsules · 1 strength
Diosmin and hesperidin	Tablets · 2 strengths

Endocrine and reproductive health

Calcitonin salmon injection	Injection
Allylestrenol	Tablets · 1 strength
Bromocriptine	Tablets · 1 strength
Cabergoline	Tablets · 2 strengths
Calcitonin	Drops · 1 strength
Carbimazole	Tablets · 3 strengths
Clomiphene	Tablets · 2 strengths
Danazol	Capsules · 2 strengths
Dehydroepiandrosterone	Tablets · 1 strength
Doxylamine, pyridoxine and folic acid	Tablets · 1 strength
Dydrogesterone	Tablets · 1 strength
Dydrogesterone extended release	Tablets · 2 strengths
Estradiol	Tablets · 1 strength
Hydrocortisone	Tablets · Ampoule or vial · 2 strengths
Hydroxyprogesterone caproate	Ampoule or vial · 1 strength
Letrozole	Tablets · 2 strengths
Levonorgestrel	Tablets · 1 strength
Levonorgestrel and ethinylestradiol	Tablets · 1 strength
Levothyroxine	Tablets · 6 strengths
Medroxyprogesterone acetate	Tablets · 1 strength
Melatonin with inositol for PCOS	Tablets · 1 strength
Methylprednisolone	Tablets · Vial for injection · 6 strengths
Methylprednisolone acetate	Tablets · 1 strength
Myo-inositol and metformin	Tablets · 1 strength
Myo-inositol with N-acetylcysteine	Tablets · 1 strength
Fertility supplement for women	Tablets · 1 strength
Norethisterone	Tablets · 2 strengths
Prednisolone	Tablets · Syrup or oral suspension · 4 strengths
Progesterone	Capsules · 3 strengths
Raloxifene	Tablets · 1 strength
Testosterone	Cream, ointment or gel · 1 strength
Testosterone enanthate	Ampoule or vial · 1 strength
Testosterone undecanoate	Capsules · 1 strength
Tranexamic acid and mefenamic acid	Tablets · 1 strength
Ulipristal acetate	Tablets · 1 strength

Finished products

Dermatology

Aciclovir	Cream, ointment or gel · 2 strengths
Adapalene	Cream, ointment or gel · 1 strength
Aloe vera and vitamin E	Cream, ointment or gel
Avocado oil, vitamins E and B3 and pro-vitamin B5	Cream, lotion or serum
Azelaic acid	Cream, ointment or gel · 2 strengths
Beclomethasone, neomycin and clotrimazole	Cream, ointment or gel · 1 strength
Beclomethasone, neomycin, clotrimazole and chlorocresol	Cream, ointment or gel · 1 strength
Beclomethasone and salicylic acid	Cream, ointment or gel · 1 strength
Benzoyl peroxide	Cream, ointment or gel · 2 strengths
Betamethasone	Ampoule or vial · 1 strength
Biotin and finasteride	Tablets · 1 strength
Calamine, diphenhydramine and camphor	Cream, ointment, gel or lotion · 2 strengths
Clindamycin	Cream, ointment or gel · 1 strength
Clobetasol	Cream, ointment or gel · 1 strength
Clobetasol and calcipotriol	Cream, ointment or gel · 1 strength
Clobetasol, neomycin and miconazole nitrate	Cream, ointment or gel · 2 strengths
Clobetasol and salicylic acid	Cream, ointment or gel · 2 strengths
Clotrimazole	Tablets · Cream, ointment or gel · Soap or wash · Powder · 5 strengths
Clotrimazole and beclomethasone	Cream, ointment or gel · 1 strength
Clotrimazole, tolnaftate and gentamicin cream	Cream, ointment or gel · 1 strength
Deflazacort	Tablets · Syrup or oral suspension · 4 strengths
Desonide	Cream, ointment or gel · 1 strength
Dexamethasone	Tablets · Ampoule or vial · 4 strengths
Human placenta extract gel	Cream, ointment or gel · 1 strength
Finasteride	Tablets · 2 strengths
Fluticasone	Cream, ointment or gel · 1 strength
Fluticasone and mupirocin	Cream, ointment or gel · 1 strength
Glycolic acid	Cream, ointment or gel · 1 strength
Halobetasol	Cream, ointment or gel · 1 strength
Hydrocortisone	Cream, ointment or gel · 1 strength
Hydroquinone, tretinoin and mometasone	Cream, ointment or gel · 1 strength
Isotretinoin	Capsules · 1 strength
Minoxidil	Topical solution, foam or spray; oral tablets · 2 strengths
Mometasone	Cream, ointment or gel · 1 strength
Neem, tulsi and aloe vera	Soap or wash
Colloidal silver wound gel	Cream, ointment or gel · 1 strength
Salicylic acid	Cream, ointment or gel · Powder · 2 strengths
Tacrolimus	Capsules · Cream, ointment or gel · 7 strengths
Tofacitinib	Tablets · Cream, ointment or gel · 3 strengths
Tretinoin	Cream, ointment or gel · 3 strengths
Triamcinolone	Cream, ointment or gel · Vial for injection · 2 strengths
White soft paraffin and liquid paraffin	Cream, ointment or gel · 1 strength
Zinc oxide	Cream, ointment or gel · 1 strength

Enzymes

Fungal diastase, papain and activated charcoal	Tablets · 1 strength
Pancreatin	Tablets · Capsules · 4 strengths
Pancreatin, bile constituents and activated dimethicone	Tablets · 1 strength
Papain and urea ointment	Cream, ointment or gel · 1 strength
Serratiopeptidase	Tablets · 1 strength
Trypsin, bromelain and rutoside	Tablets · 1 strength
Trypsin and chymotrypsin	Tablets · 1 strength
Trypsin and chymotrypsin, paracetamol and aceclofenac	Tablets · 1 strength

Probiotics

Bacillus clausii spores	Syrup or oral suspension · 1 strength
Lactic acid bacillus	Tablets · 1 strength
Probiotic with B vitamins and zinc	Capsules · 1 strength
Probiotic dry syrup with zinc	Syrup or oral suspension · 1 strength
Probiotic dry syrup	Syrup or oral suspension · 1 strength
Multi-strain probiotic with lactoferrin	Capsules · 1 strength

Finished products

Probiotics continued

Prebiotic and probiotic	Syrup or oral suspension · Sachet
Prebiotic and probiotic with	Syrup or oral suspension
Saccharomyces boulardii	Sachet · 1 strength
Four-strain probiotic capsules	Capsules · 1 strength

Vitamins

Alfacalcidol	Capsules · 2 strengths
Vitamin C and zinc	Tablets · 1 strength
Vitamin C, zinc and vitamin D3	Tablets · 1 strength
B-complex	Tablets
B-complex with vitamin C	Capsules
B-complex with vitamin C and zinc	Capsules
Benfotiamine and methylcobalamin nerve capsules	Capsules · 1 strength
Biotin	Tablets · 1 strength
Biotin and folic acid	Tablets · 1 strength
Calcitriol	Capsules · 1 strength
Calcitriol with omega-3 and B vitamins	Capsules · 1 strength
Calcium L-methylfolate with B vitamins	Tablets · 1 strength
Coral calcium with vitamin K2-7	Tablets · 1 strength
Neurotropic B vitamin and antioxidant tablets	Tablets · 1 strength
Folic acid	Tablets · 1 strength
L-carnitine L-tartrate, methylcobalamin and folic acid	Tablets · 1 strength
Active folate with omega-3	Capsules · 1 strength
Methylcobalamin	Tablets · 2 strengths
Methylcobalamin with alpha lipoic acid	Capsules · 2 strengths
Methylcobalamin with benfotiamine	Capsules · 1 strength
Methylcobalamin with vitamin D3	Tablets · 1 strength
Methylcobalamin with benfotiamine and inositol	Capsules · 1 strength
Methylcobalamin with vitamin D3 and folic acid	Tablets · 1 strength
Methylcobalamin injection with B vitamins	Ampoule or vial · 1 strength
Multivitamin and multimineral tablets	Tablets
Multivitamin and multimineral softgel	Capsules
Multivitamin and multimineral tablets with lutein	Tablets
Men's multivitamin softgel, 50 plus	Capsules
Multivitamin softgel with omega-3 and ginseng	Capsules
Women's multivitamin softgel, 50 plus	Capsules
Multivitamin with multiminerals and zinc	Tablets
Multivitamin with antioxidants and trace minerals	Tablets · 1 strength
Zinc with B vitamins and selenium	Tablets · 1 strength
Thiamine	Tablets · Ampoule or vial · 2 strengths
Multivitamin infusion	Ampoule or vial · 1 strength
B-complex capsules with folic acid	Capsules · 1 strength
Paediatric multivitamin syrup	Syrup or oral suspension · 1 strength
Vitamin C	Tablets · 1 strength
Infant multivitamin drops	Syrup or oral suspension · 1 strength
Vitamin D3	Capsules · Syrup or oral suspension · Sachet · 3 strengths
Vitamin E	Capsules · 2 strengths
Vitamin E and levocarnitine	Tablets · 1 strength

Minerals and electrolytes

Multimineral and vitamin capsules	Capsules · 1 strength
Daily multivitamin and multimineral tablets	Tablets · 1 strength
Calcium and vitamin D2	Tablets · 1 strength
Calcium and vitamin D3	Tablets · 1 strength
Calcium with collagen type II	Capsules · 1 strength
Calcium, vitamin D3 and B-vitamin tablets	Tablets · 1 strength
Calcium citrate with magnesium and zinc	Tablets · 1 strength

Finished products

Minerals and electrolytes continued

Calcium citrate with B vitamins	Tablets · 1 strength
Calcium citrate with vitamin D3 and folic acid	Tablets · 1 strength
Calcium citrate malate with vitamin K2-7	Tablets · 1 strength
Elemental calcium and calcitriol	Tablets · 1 strength
Elemental calcium, calcitriol and elemental zinc	Capsules · 1 strength
Elemental calcium, vitamin D3 and cyanocobalamin	Syrup or oral suspension · 1 strength
Elemental iron	Tablets · Ampoule or vial · 2 strengths
Elemental iron and folic acid	Tablets · 1 strength
Ferric carboxymaltose	Vial for injection · 1 strength
Ferrous bisglycinate, folic acid, cyanocobalamin and zinc	Tablets · 1 strength
Ferrous fumarate, folic acid, cyanocobalamin and zinc sulphate	Capsules · 1 strength
Glucosamine and chondroitin joint tablets	Tablets · 1 strength
Potassium chloride	Syrup or oral suspension · 1 strength
Rehydration salt	Sachet
Zinc acetate	Tablets · 2 strengths
Zinc gluconate	Syrup or oral suspension · 1 strength

Bone health

Alendronate	Tablets · 1 strength
Ibandronic acid	Tablets · 1 strength
Zoledronic acid	Infusion

Nutrition and supplements

Coconut water	Sachet · 1 strength
Cod liver oil	Capsules · 1 strength
Cod liver oil, evening primrose oil, omega-3 fatty acid and vitamin E	Capsules · 1 strength
Collagen with hyaluronic acid and chondroitin	Tablets
Hair and skin collagen tablets	Tablets · 1 strength
Collagen type II with glucosamine	Tablets · 1 strength
Glutathione	Vial for injection · 1 strength
Glutathione and vitamin C	Vial for injection · 1 strength
Hair care kit	Tablets
L-arginine with collagen and hyaluronic acid	Tablets · 1 strength
L-arginine and L-citrulline	Tablets · 1 strength
L-arginine and proanthocyanidin	Sachet · 1 strength
Men's health capsules with L-arginine	Capsules · 1 strength
L-arginine, zinc and folic acid	Sachet · 1 strength
Glutathione and alpha lipoic acid tablets	Tablets · 1 strength
Lycopene	Capsules · 1 strength
Energy sachet with taurine and caffeine	Sachet
Eggshell membrane collagen with boswellia	Tablets · 1 strength
Omega-3 fish oil	Capsules · 1 strength
Palmitoylethanolamide with genistein	Capsules · 1 strength
Potassium citrate with cranberry	Syrup or oral suspension · 1 strength
Protein powder with vitamins and minerals	Powder · 2 strengths
Salmon fish oil, DHA and astaxanthin	Capsules · 1 strength
Hangover relief granules	Sachet · 1 strength
Tocotrienol	Capsules · 1 strength
Ubidecarenone	Tablets · 1 strength
Coenzyme Q10 fertility capsules	Capsules · 1 strength

Herbal and ayurvedic

Ayurvedic weight-gain powder	Powder · 1 strength
Carica papaya extract and tinospora cordifolia extract	Capsules · Syrup or oral suspension · 2 strengths
Cissus quadrangularis with ashwagandha	Tablets · 1 strength
Cissus quadrangularis with calcium and vitamin K2-7	Tablets · 1 strength

Herbal and ayurvedic continued

Curcumin with piperine and lycopene	Tablets · 1 strength
Curcumin with rosehip and boswellia	Tablets · 1 strength
Ayurvedic haemorrhoid tablets	Tablets · 1 strength
Dried extract of ginkgo biloba	Tablets · 1 strength
Evening primrose oil	Capsules · 1 strength
Evening primrose oil and vitamin E	Capsules · 1 strength
Ginseng with multivitamins and multiminerals	Capsules · 1 strength
Ayurvedic antihistamine tablets	Tablets · 1 strength
Ayurvedic liver tablets	Tablets · 1 strength
Ayurvedic liver syrup	Syrup or oral suspension · 1 strength
Ayurvedic liver tablets, double strength	Tablets · 1 strength
Pudina ka satva	Capsules · 1 strength
Rosehip with boswellia for joints	Tablets · 1 strength
Ayurvedic stone tablets	Tablets · 1 strength
Gripe water	Syrup or oral suspension · 1 strength
Ayurvedic laxative powder	Powder · 1 strength
Ayurvedic laxative tablets	Tablets · 1 strength
Ayurvedic cough syrup	Syrup or oral suspension · 1 strength
Ayurvedic digestive tablets	Tablets · 1 strength

Antiseptics and disinfectants

Cetrimide and chlorhexidine	Powder · Topical solution, liquid or cream · 2 strengths
Chlorhexidine and ethanol	Topical solution, liquid or cream · 1 strength
Chlorhexidine, sodium fluoride and zinc chloride	Mouthwash or oral rinse · 1 strength
Povidone iodine	Cream, ointment or gel · Syrup or oral suspension · 7 strengths
Silver nitrate, chlorhexidine and chlorocresol	Cream, ointment or gel · 1 strength

IV fluids and infusions

Mannitol infusion	Infusion
Dextrose 5% infusion	Infusion
Dextrose 10% infusion	Infusion
Dextrose 25% injection	Injection
Ringer lactate infusion	Infusion
Multiple electrolytes P with dextrose	Infusion

Packaging materials

Blister films and foils

PVC film	Tablets and capsules with low moisture sensitivity
PVC/PVDC film	Moisture-sensitive tablets and capsules
PVC/PE/PVDC film	Products that need a high barrier with clear blisters
Cold-form aluminium foil	Highly sensitive products and hot climates
Cold-form foil with desiccant	Products that degrade with trace moisture
Blister lidding foil	Push-through blisters of every type
Paper-backed aluminium foil	Child-resistant and senior-friendly packs
Strip foil	Tablets, capsules, suppositories
Sachet laminate	Powders, granules
Alu-Alu base web	Moisture- and light-sensitive tablets and capsules

Bottles, vials and tubes

HDPE bottles	Tablets, capsules, oral liquids
PET bottles	Oral liquids, syrups, tablets
Amber glass bottles	Light-sensitive oral liquids and syrups
Type I glass vials	Injections, lyophilised powders
Glass ampoules	Injections
Infusion bottles	Intravenous infusions
Infusion bags	Intravenous infusions
Aluminium collapsible tubes	Ointments, creams, gels
Laminated tubes	Creams, gels, ointments
LDPE tubes	Creams, gels, ointments
Nasal spray bottles	Nasal sprays
Eye drop bottles	Eye drops, ear drops

Caps, stoppers and dosing parts

Caps, stoppers and dosing parts continued

Child-resistant closures	Tablets, capsules, oral liquids
ROPP caps	Oral liquids, syrups
Flip-off seals	Injectable vials
Aluminium seals	Injectable vials
Bromobutyl rubber stoppers	Injections, lyophilised powders
Chlorobutyl rubber stoppers	Injections, lyophilised powders
Induction sealing wads	Tablets, capsules, oral liquids
Dropper assemblies	Oral drops, eye and ear drops
Measuring cups	Oral liquids, syrups
Dosing spoons	Oral liquids, syrups
Oral dispensing syringes	Oral suspensions, drops

Cartons, labels and inserts

Folding cartons	Blisters, bottles, tubes
Package inserts	All finished dosage forms
Self-adhesive labels	Bottles, vials, tubes
Shipper cartons	Finished packs
Silica gel desiccant	Tablets and capsules in bottles
Desiccant canisters	Tablets and capsules in bottles

Skin and oral care

Sunscreen lotion	Cream, ointment or gel · 1 strength
Desensitising toothpaste	Cream, ointment or gel · 1 strength
Toothbrush	Device
Acne soap with tea tree oil	Soap or wash
Prickly heat powder, ice	Powder
Prickly heat powder, lavender	Powder
Prickly heat powder, sandalwood	Powder

Send the molecule, the strength and the quantity.

1

Enquiry

Share the material name, grade, quantity and destination. We reply with a firm price and lead time within one working day.

2

Documents & Sample

Your quality team reviews the full documentation, with a physical sample if needed, before you commit.

3

Approval & Contract

Once quality approves the source, the quantities, Incoterms and payment terms go into one formal contract.

4

Release & Dispatch

Before it ships from our warehouse, every lot is checked against its documents for labelling, packaging and seal integrity.

5

Arrival & Repeat

We track delivery to your warehouse and keep the same approved manufacturer for your next orders.

Papers that travel with the lot

- Certificate of Analysis (CoA) for that batch
- Safety Data Sheet (SDS)
- Manufacturer GMP Certificate
- TSE/BSE & residual solvents statements
- DMF open part or CEP, with a Letter of Access where the maker holds one
- Nitrosamine & elemental impurity statements
- Certificate of origin, attested where required

What we hold for you

- Buffer stock in bond at our free zone
- Several makers consolidated into one shipment
- One set of shipping papers for the whole load
- No duty while the goods stay in the zone

Quality

We source only from makers whose manufacturing site and regulatory file we have verified. Storage, handling and transport follow Good Distribution Practice (GDP), and every pack carries the maker's original batch number.

A note on this list

Products are listed by generic name. Strengths and pack sizes are confirmed on the quotation, and items still in the pipeline are marked when you ask for them.
